

Website of Day

The screenshot shows the Wikispaces website homepage. At the top, there is a dark blue navigation bar with the Wikispaces logo (a potted plant) and the word "Wikispaces" in white. To the right of the logo are links for "Features", "Pricing", "Tours", and "Private Label". Further right is a search bar with the text "Search Help". Below the navigation bar, the main content area has a light blue background. On the left, the heading "Wikis for Everyone" is followed by a paragraph: "Our full-featured wikis offer **unlimited usage** and our **stellar visual editor**. Check out our [plans and pricing](#), and see why our customers call us the [best wiki out there](#)." Below this is another paragraph: "Now hosting over **3,840,000 members** and **1,440,000 wikis!**" and a final paragraph: "We have given away over 262,000 wikis for K-12 education. Learn more and [create your own classroom wiki today](#)." On the right side of the main content area, there is a "Get Started" box. It contains the text "Already a member? [Sign in](#)." followed by three input fields for "Username", "Password", and "Email". At the bottom of this box is a red "Get Started" button. Below the main content area, there is a section titled "Private Label" with the subtitle "Wiki Solutions for Organizations" and the text "Powerful, reliable, secure." To the right of this text are four icons in blue boxes: a building for "Business", a hand holding a leaf for "Non-Profit", an apple on a book for "K-12", and a graduation cap for "Higher Ed".

Wikispaces allows users to create a wiki to collaborate. This service is for a limited time providing free wikis for teachers. There are many great project ideas on this website for use in classroom projects with students. Here is a link to a video if you are not familiar with what a wiki is and can do.
